

ICSHM 2019

YOKOHAMA
JUNE 3-5
International Conference on Self-Healing Materials

7th ICSHM

We are proud to welcome you to the 7th International Conference on Self-Healing Materials (ICSHM2019) and to share with you the exciting new developments in our scientific area.

ICSHM2019 invites the papers/presentations concerned with self-healing materials and the related science and technology. It will not only reflect mechanism, materials, characterization and processing but also the potential of self-healing materials in applications. So, we open the symposium for “self-healing soft matter”, “self-healing hard matter”, “self-healing concrete” and “Self-healing materials in industrial application”.

Our host city Yokohama is a city 30 km south of Tokyo, and is one of the first ports in Japan for foreign trade in 1859. Since that time, Yokohama functions as the center of Japan's economy and industry. In the bay area including the venue, Modern Western architecture and contemporary skyscrapers are mixed. Our event facility - the Oosanbashi hall - is located in the largest wharf in Yokohama Port, not only can you see the view of the port of Yokohama but also you can see where a large cruiser is anchored.

We hope you enjoy your stay at ICHSM 2019!

Prof. Wataru Nakao, Chairman

Conference Website

<http://www.icshm2019.jp/>

Conference Date

2-6, June 2019 (including pre/post conference attractions)

Conference Venue

Osanbashi hall, Yokohama, Japan (<https://osanbashi.jp/English/>)

Important Date

Deadline for abstract: 31 January, 2019

Acceptance: 28 February, 2019

Early bird limit: 1 April, 2019

Deadline for extended abstract: 30 April, 2019

Conference Fee

Professional: 50,000 JPY (60,000 JPY, After 1st April, 2019)

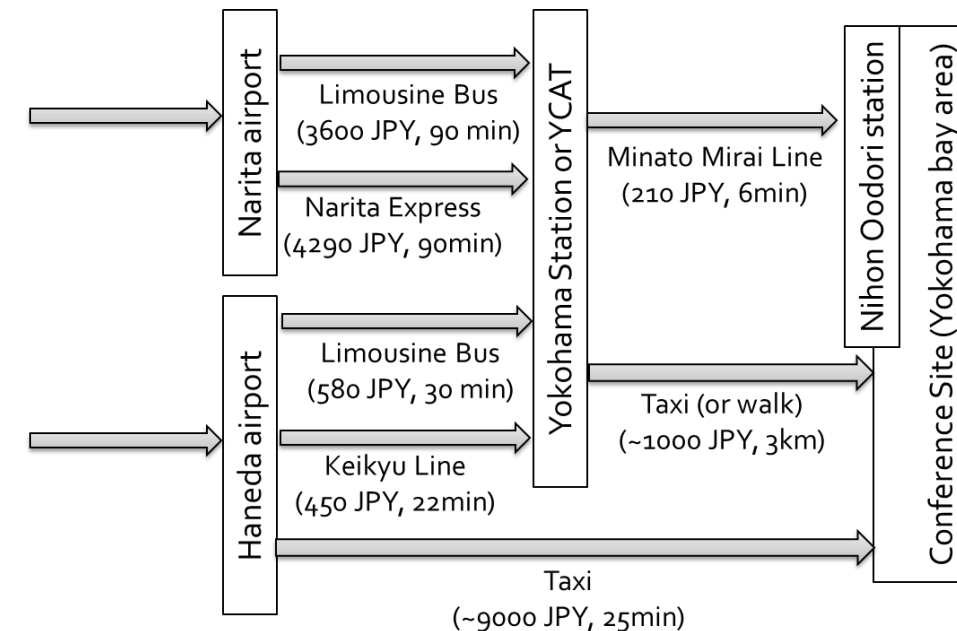

Student: 30,000 JPY (40,000 JPY, After 1st April, 2019)

Tentative Session List

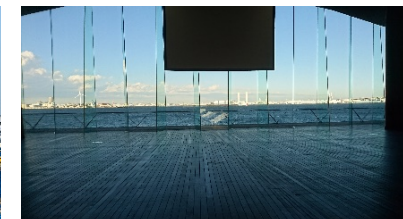

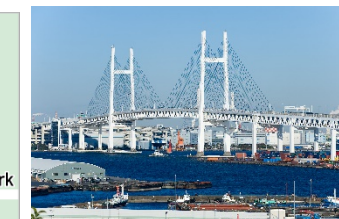

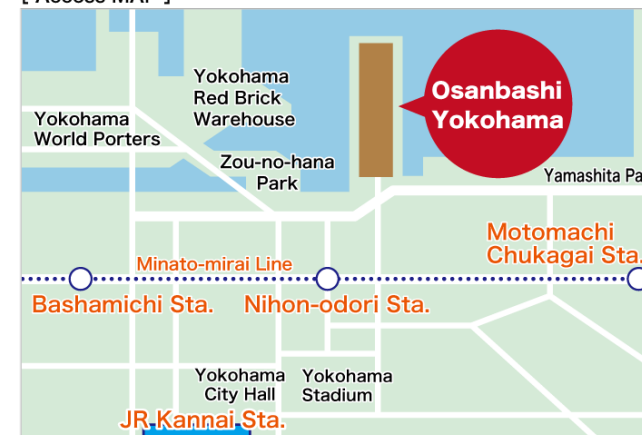

Polymer, Composite, Concrete, Coating, Ceramic, Metal

How to get to Osanbashi hall, Yokohama

Osanbashi Yokohama International Passenger Terminal
1-1-4, Kaigandori, Naka-ku, Yokohama-shi, Kanagawa 231-0002
